Best friends

Beth and Gemma are cousins and they're the same age. They are also best friends. They live in the same town and they are in the same class at school. But the girls are very, very different! Beth loves sports and she swims every day. She gets up at 5.00 a.m. and goes swimming before school. Then, after school she goes to the gym and swims again! At the weekend she goes to different towns with her swimming team for competitions. On Sundays she stays at home and does her homework.

Gemma hates sports! She stays in bed every morning until 8.30 a.m. and at the weekend she stays in bed until 12.00! Gemma's hobbies are shopping and parties! She goes shopping in town every Saturday afternoon with her friends and goes to a party on Friday nights. She goes to bed very late after the party! On Sundays she visits her brother and his wife. They have a baby and Gemma likes to play with her. Sometimes Gemma doesn't do her homework and Beth helps her.

We're very different and I don't see Gemma often out of school, but we're still best friends! We text and phone a lot,' says Beth.

So, there is one thing they BOTH like to do. Talk!

My name is John

Hi! Nice to meet you! My name is John Smith. I am 19 and a student at a college. I go to the college in New York. My favorite courses are Geometry, French, and History. English is my hardest course. My professors are very friendly and smart. It's my second year at college now. I love it!

I live in a big house on Ivy Street. It's near the college campus. I share the house with three other students. Their names are Bill, Tony, and Paul. We help each other with homework. At the weekend, we play football together.

I have a younger brother. He just started high school. He is 14 and lives with my parents. They live on Mulberry Street in Boston. Sometimes they visit me in New York. I am happy when they come. My Mom always brings me sweets and candy when they come. I really miss them!

Our Vacation

Every year we go to Florida. We like to go to the beach.

My favourite beach is called Emerson Beach. It is very long, with soft sand and palm trees. It is very beautiful. I like to make sandcastles and watch the sailboats go by. Sometimes there are dolphins and whales in the water!

Every morning we look for shells in the sand. I found fifteen big shells last year. I put them in a special place in my room. This year I want to learn to surf. It is hard to surf, but so much fun! My sister is a good surfer. She says that she can teach me. I hope I can do it!
